**Re: Formal Case No. TIA 99-10: Interconnection Agreement Between
Verizon Washington, DC Inc. and PaeTec Communications, Inc. –
Amendment No. 2; Request for Expedited Approval**

Dear Mr. Speight:

In accordance with §252(e) of the Telecommunications Act of 1996 (the "Act"), Verizon Washington, DC Inc. ("Verizon DC") files the attached Amendment No. 2 dated January 9, 2003, between Verizon DC and PaeTec Communications, Inc. ("PaeTec") addressing interconnection and unbundled element rates in the District of Columbia to apply while the Commission's Order No. 12610 in Formal Case No. 926 is stayed.

The Amendment is submitted for Commission approval, with a request that such approval be granted expeditiously. The Act specifies in §252(e)(4) that, if a state agency does not act to approve or reject an agreement reached by negotiation within ninety (90) days following the filing, it shall be deemed approved. Because the stay of Order No. 12610 is already in effect and the interim rates that are included in this amendment are lower than the rates that would otherwise be in effect during this stay, however, Verizon DC respectfully requests that the Commission approve the Amendment as expeditiously as possible.

The Act also states pursuant to Section 252(e)(2)(a)(i) and Section 252(e)(2)(a)(ii) that the Agreement must not discriminate against any other telecommunications carrier and must be consistent with the public interest, convenience, and necessity. The Amendment complies with both of those sub-sections of the Act. First, the same terms included in the Amendment have been offered to all CLECs operating in the District of Columbia. Second, the rates included in the Amendment satisfy the FCC's requirement

of TELRIC-compliant rates because these rates are equal to, or lower than, rates for New York that have been found TELRIC-compliant, adjusted where possible to reflect cost differences between the District of Columbia and New York. Third, the rates included in the Amendment will be in force only for such period as the rates set in Order No. 12610 are stayed, until the rates set in Order No. 12610, or such other rates as are determined or approved by the Commission to replace the rates set in Order No. 12610, become effective in accordance with applicable law.

AMENDMENT NO. 2

to the

INTERCONNECTION AGREEMENT

between

VERIZON WASHINGTON, DC INC.,
i/w/a BELL ATLANTIC - WASHINGTON, D.C., INC.

and

PAETEC COMMUNICATIONS, INC.

This Amendment No. 2 (this "Amendment") is entered into by and between Verizon Washington, DC Inc., i/w/a Bell Atlantic - Washington, D.C., Inc. ("Verizon"), and Paetec Communications, Inc. ("Paetec") and is dated as of January 9, 2003. Verizon and Paetec may be referred to herein collectively as the "Parties" and individually as a "Party".

WITNESSETH:

WHEREAS, Paetec previously adopted in Washington, D.C. the Interconnection Agreement between ACC National Telecom Corp. and Verizon, dated as of June 8, 1998, for Washington D.C. (the "Agreement");

WHEREAS, the Public Service Commission of the District of Columbia ("PSC") set new rates and charges for unbundled network elements on December 6, 2002, Order No. 12610 in Case 962 ("Final Order") (such rates and charges, the "New PSC Rates");

WHEREAS, Verizon filed a petition for reconsideration of the *Final Order*, which had the effect of staying the *Final Order* and staying application of the New PSC Rates;

WHEREAS, the Parties seek to apply, for a period beginning on December 6, 2002, and continuing for such period as the application of the New PSC Rates is stayed, rates and charges that in some instances differ from both the New PSC Rates and the rates and charges that were in effect before December 6, 2002; and

WHEREAS, the Parties seek to amend the Agreement pursuant to Section 252(a)(1) of the Act.

NOW, THEREFORE, in consideration of the mutual promises, provisions and covenants herein contained, the sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. **Rates.** The rates and charges set forth in the Pricing List attached hereto as Exhibit 1 shall, where such rates and charges differ from the rates and charges contained in the Agreement, replace the rates and charges set forth in the Agreement for the period from December 6, 2002, until the date the New PSC Rates, or such other rates and charges as are determined or approved by the PSC to replace the New PSC Rates, become effective in accordance with applicable law. For avoidance of any doubt, application of the rates and charges contained in Exhibit 1 hereto does not affect or remove any pricing-related restrictions, qualifications, or limitations contained in the Agreement, including the exhibits, attachments, and appendices thereto.

2. **Conflict between this Amendment and the Terms.** This Amendment shall be deemed to revise the terms and provisions of the Agreement to the extent necessary to give effect to the terms and provisions of this Amendment. In the event of a conflict between the terms and provisions of this Amendment and the

terms and provisions of the Agreement, this Amendment shall govern, provided, however, that the fact that a term or provision appears in this Amendment but not in the Agreement, or in the Agreement but not in this Amendment, shall not be interpreted as, or deemed grounds for finding, a conflict for purposes of this Section 2.

3. Counterparts. This Amendment may be executed in one or more counterparts, each of which when so executed and delivered shall be an original and all of which together shall constitute one and the same instrument.

4. Scope of Amendment. This Amendment shall modify and revise the Agreement only to the extent set forth expressly in Section 1 of this Amendment, and, except to the extent set forth in Section 1 of this Amendment, the terms and provisions of the Agreement shall remain in full force and effect.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be duly executed and delivered by their duly authorized representatives.
